## Application Form for License of Radio Communication Apparatus

1. Name of Applicant: .....
2. Present Postal Address: .....
3. Name of Contact Person: ..... Designation .....
- Mobile: ..... Telephone: ..... Fax: ..... E-mail: .....
4. Nationality: .....
5. Name and Address of Local Agent:.....
6. Purpose of License:.....
7. If Frequency Allocated Please Mentioned:.....
8. Equipment information, Class of station (Please tick): Fixed/Base/Repeater/Land Mobile/Walki-Talki/SatellitePhone/SNG/DSNG/TerrestrialTV/VSAT/Amateur/Paging/Trunking/SST/ISM/Data/Broadband /Broadcast/Radar/Telemetry/Cordless/Other (indicate).....

### 9. Equipment Information:

Sl No	Class of Station	Type/Model of Tx/Rx with Manufacturer Name	No of Sets	Frequency Range		Power out put, W, Mw, dbm	Class of emission	Modulation
				From	To			

### 10. Equipment Information:

Sl No.	Simplex /Duplex	XTL/ Synthesized	Source of Power, Bat/Gen	B/W or Chl Spacing	TX/RX Separation	Type of Antenna	Antenna Polarization V/H	Antenna gain (dbi)	Height of Antenna from Sea level	Minimum code speed for Amateur

### 11. Equipment Information: (use this page as additional if required)

Sl No.	Exact location of the station with postal address	Class of Station	Latitude			Longitude			Azimuth for Point to point Link	Remarks
			D	M	S	D	M	S		

P.T.O

## 12. Terms and Conditions for use of wireless equipment in the People's Republic of Bangladesh:-

- i. A Log Book for each equipment must be maintained regularly.
- ii. The competent Authority shall physically inspect the said equipment time to time.
- iii. On demand of the Competent Authority the station may be closed down at any time.
- iv. The licenses of the wireless equipments are not transferable.
- v. On expiry of the scheduled works the license must be returned to the competent Authority.
- vi. Export and import of the wireless equipment is strictly prohibited without prior permission of the authority.
- vii. A government lavvy is not chargeable for unserviceable wireless set if sealed by the competent authority.
- viii. Telecommunication facilities will be disconnected for non-payment of Govt. dues.
- ix. Charges on frequency, power output, station & License fees to be paid as per rate list in favor of Bangladesh Telecommunication Regulatory Commission (BTRC).

## 13. Note:

- a) Appropriate Network plan to be submitted
- b) Technical Catalogue to be submitted
- c) Period for which license is required (for foreigner)
- d) Amateur Radio License (Local): Passport or Police Verification report to be submitted
- e) Amateur Radio License (Foreigner): Photocopy of existing Amateur License, Passport & Visa to be submitted.
- f) Prior Permission to be required for any coding or cipher equipment to be used.
- g) Name of wireless equipment if installed earlier, please state frequency, Power output & number of sets.
- h) Photo Copy of up to date Vendor License
- i) Class of station means: Fixed/Base/Repeater/LandMobile/Walki-Talki/Satellite Phone/SNG/DSNG/TerrestrialTV/VSAT/Amateur/Paging/Trunking/SST/ISM/Data/Broadband/Broadcast/Radar/ Telemetry/Cordless/Others (indicate).....

14. Declaration: I under take to observe the conditions of license & here by certify that the apparatus herein described and will be worked in accordance with provision of license, I further declare that all information's mentioned are true and correct. If any statement kept concealed, the Bangladesh Telecommunication Regulatory Commission (BTRC) reserves the right to seize the wireless equipment.

For official use

Signature of the applicant with seal & date

## Application Form for a Maritime/Aeronautical Mobile Station

Application for a license to establish, maintain and work wireless Communication Apparatus in Ships/ Aircraft's registered in Bangladesh.

1. Name of Applicant (in block capital): .....

Postal Address: .....

(a) Name of Contact Person:.....Designation .....

Mobile: ..... Telephone: ..... Fax: ..... E-mail: .....

### 2. Particulars of ship for which a license is required:

Registered No	Name	Gross Tonnage	Owner	Port of Registry

### 3. Particulars of Aircraft for which a licence is required:

Name & Number	Type & Make	Maximum take off weight (kg)	Registered Marking	Place of Registry in Bangladesh

### 4. Particulars of Radio Communication Apparatus.

Symbols	Type/ Model of TX/ RX. with Manufacturer name	Allocated Frequency Band	Assigned Frequency (s) & Tolerance	Nominal Maximum Transmitter Power (w)
MF				
HF				
VHF				

### 5. Particulars of Radio Communication Apparatus.

Symbols	Maximum Antenna Gain (dbi)	Polarization V/H	Height of Antenna from Sea level (M)	Class of Emission	Bandwidth
MF					
HF					
VHF					

P.T.O

6.

a. Number & Qualification of Operators.	b. Class of Station under the International Telecom Convection.	c. Nature of Service to be performed.

7. Hours of service: \_\_\_\_\_

8. Name and address of person or person by whom radio Telephone/Telegraph accounts are settled:

\_\_\_\_\_

9. Declaration: I undertake to observe the condition of the license and hereby certify that the apparatus herein described and will be worked in accordance with the provisions of the license. I further declare that only operators holding approved certificates of competency are employed to work the transmitting apparatus.

**Signature of applicant**  
**(with Seal) .....**  
**Dated .....**

**CERTIFICATE OF INSPECTION**

(To be completed by a Radio Communication engineer) I hereby certify that I have inspected the installation described in this application and that the particulars given are correct.
